

Fantastic In-House IP Role

5 - 10 years' PQE
West London

Hasbro is a branded play company providing children and families around the world with a wide-range of immersive entertainment offerings based on the company's world class brand portfolio. From toys and games, to television programming, motion pictures, video games and a comprehensive licensing program, Hasbro strives to delight its customers through the strategic leveraging of well-known and beloved brands such as TRANSFORMERS, LITTLEST PET SHOP, NERF, PLAYSKOOL, MY LITTLE PONY, G.I. JOE, MAGIC: THE GATHERING and MONOPOLY.

We are now looking for a lawyer to join our close-knit legal team to take the lead on a broad range of IP issues across the EMEA region. Reporting to the VP European Legal, and mentoring a small team, you will enjoy a diverse workload spanning contentious (notably, anti-counterfeiting and brand protection) and non-contentious IP, licensing, data protection and other more general commercial matters.

To take on this role, you will be a specialist IP lawyer with a reputable law firm training and, ideally, some secondment or in-house experience. You will be working closely with senior commercial colleagues, taking the lead and managing your own projects as well as managing external counsel. As a result, you must be technically strong with good commercial acumen and effective influencing, interpersonal and communication skills.

This is a rare opportunity to work with some of the world's most iconic brands that are responsible for bringing fun, laughter and excitement to millions of people every day. As well as a fascinating portfolio of work, you will be rewarded with a competitive salary and a very comprehensive benefits package.
