

## **Drama Production Lawyer – 5+PQE**

## **Central London - Competitive Salary + Benefits**

RDF Media Group is a group of companies that creates, acquires and distributes compelling television content in the factual, entertainment, drama, comedy and children's programming genres. Through its Group members it makes television programmes for all the UK terrestrial broadcasters, a number of secondary UK channels as well as several US Network and cable broadcasters.

Due to a member of the production legal team going on maternity leave an opportunity has arisen for an experienced drama/scripted production lawyer to join the business on an interim basis, 4 days per week.

As a Senior Legal & Business Affairs Executive, you will be responsible for negotiating and drafting a variety of development, production, contributor and rights agreements as well as providing advice on previous, current and future TV projects. The supervision of more junior lawyers and working closely with production teams on compliance, will also be key elements to your role.

To succeed in this position, you will have at least 5 years' PQE and must have prior experience of negotiating with agents, rights holders and broadcasters coupled with a sound commercial and legal understanding of television drama. A working knowledge of broadcaster terms of trade would also be useful.

This is an excellent opportunity to work with an organisation that has won numerous industry awards and is regularly voted the most respected and admired independent producer by its peers.
